245m²

803m²

Welcome to this gorgeous modern Ibiza-style villa project to be built in a prime location in Denia, just a short walk from the beach and sea. This property has 4 big bedrooms, with one being a fitness room, and 4 luxury bathrooms, plus an extra toilet for guests. The best part? Every room opens to the outside, so you feel free and light all the time. The villa will be built on a plot of land of 803 square meters, with the house taking up 245 square meters. It has all the bells and whistles like underfloor heating to keep you cozy and air conditioning to keep you cool....(Ask for More Details!)
