221m²

800m²

Introducing three exclusive modern villas for sale in Calpe, currently under construction and scheduled for completion in October 2025. These impeccably designed homes offer a harmonious blend of tranquility, nature, and contemporary comfort. Nestled in a serene residential area, each villa boasts a sleek architectural style that seamlessly integrates with the surrounding landscape. The interiors of these villas are bathed in natural light and meticulously crafted with energy efficiency in mind, creating a peaceful living environment throughout the year. Step outside to enjoy your private garden, patio, balcony, and swimming pool, or take a leisurely stroll to the nearby beaches to bask in the warm Mediterranean sun. These...(Ask for More Details!)
