This 4 bedroom villa is situated in a peaceful residential area of La Cometa within a quiet cul-de-sac, just a short walk from the beach, local restaurants, and the town center. It's built across two levels on a plot with a garage and carport, all accessed through an electric vehicle gate. On the upper floor, you'll find the main living areas, including a large living/dining room with a wood-burning stove and a kitchen featuring a gas hob, oven, extractor fan, and space for a fridge and dishwasher. There's also a bathroom with a walk-in shower. The master suite has built-in wardrobes and opens onto the pool area. The second...(Ask for More Details!)
