A delightful villa, just a quick stroll from the beach and a brief drive to local amenities and golf clubs. This charming home boasts a fabulous southeast view, allowing for plenty of natural light and sunshine throughout the day. It's perfect for families and friends, with two separate levels, each complete with its own kitchen. You can keep the space as is or combine it into one large, comfortable home. The interior is bright and inviting, with double-glazed windows and air conditioning to keep you cool. Relax in the cozy glazed-in naya and savor the gorgeous sea and open views. The villa also includes a handy games room for...(Ask for More Details!)
