Perched atop Altea, nestled amidst the serene harmony of whitewashed residences and the verdant embrace of the Sierra de Bernia, lies this alluring villa, presenting awe-inspiring panoramas of the Mediterranean and the Benidorm skyline. This property epitomizes the tranquil essence of the Costa Blanca lifestyle, enveloped by mature, meticulously landscaped gardens and a flourishing citrus fruit orchard. Offering sanctity, peace, and rejuvenating freshness, it is a haven for discerning individuals seeking refuge from the bustle of urban life. This exquisitely restored villa artfully intertwines traditional charm with contemporary sophistication across a sprawling 3,325 square meter plot. The exterior showcases a turquoise swimming pool tailored to perfection, complemented by
