376m<sup>2</sup>

1,600m<sup>2</sup>

An exquisite Mediterranean villa, strategically located on the coveted Benissa coastline, offering proximity to sandy beaches, fine dining establishments, and a plethora of shopping options. The villa is situated on a substantial, level plot of land, affording magnificent panoramic views of the sea, with the legendary Peñón de Ifach serving as an unparalleled focal point. The property is designed across two expansive levels, bathed in natural light and boasting meticulously crafted living spaces. The ground floor encompasses an open-concept living and dining area, which seamlessly extends to the spectacular pool terrace. This space is adjoined by a fully appointed kitchen that opens onto an enclosed naya, an ideal year-round...(Ask for More Details!)
