Modern Living Rooted in Mediterranean CharmWelcome to a distinctive new development where timeless design meets contemporary comfort. Nestled in a serene, green setting near the heart of J  vea, this private enclave offers a lifestyle defined by peace, privacy, and connection with nature. Cumbres del Tosalet features a limited collection of four villas, each thoughtfully designed to deliver a unique living experience â   where every day feels like a retreat. Introducing Villa TalaiaVilla Talaia is one of four signature home designs available within this select new development of 23 plots, located just a short drive from the lively Arenal Beach in J  vea. With clean modern lines and practical elegance, this key-ready...(Ask for More Details!)
