A very unique property for sale, The Jesus Pobre monastery, with a rich background that stretches back to medieval times. Since the 1970s, it's been a private home, offering a blend of history and modern living. Set on a pretty square, the monastery is nestled among stunning nature. The place is spacious with various amenities, including a large patio, corridors, living room, dining areas, and bedrooms with baths attached. There's also a library that doubles as an office. Upstairs, you'll find a big L-shaped attic, currently used for storage but brimming with potential. It could be transformed into more living spaces, studios, or even extra bedrooms and baths with...(Ask for More Details!)
