Located just a few hundred metres from Javea's popular port area, this well-presented townhouse in the Jardins del Gorgos development offers excellent space, comfort, and quality throughout. Set across four levels, the property features four spacious bedrooms and three full bathrooms. The living and dining area opens onto a generous terrace with a private garden—ideal for outdoor dining and relaxing under the motorised awning. Inside, you'll find quality finishes such as polished marble floors, zoned underfloor heating, and ducted air conditioning, creating a comfortable living environment all year round. The kitchen is equally impressive, fitted with premium Bosch and Miele appliances and designed for both functionality and style....(Ask for More Details!)
