This amazing modern villa is nestled in a peaceful green area of Moraira, with stunning mountain and vineyard views. It's set to be finished in July 2025. The villa stands out with its blend of high-tech features and custom design for a truly one-of-a-kind living space. The villa is cleverly designed over two levels to give you lots of privacy. The upper floor is where you'll find the main living areas, like the large living room, the cozy kitchen, and a handy guest bathroom. There's also plenty of outdoor space with covered and open terraces, and a cool chill-out zone right by the infinity pool. On the lower...(Ask for More Details!)
