Check out this large villa in Covatelles, Javea. It's a quiet area with lots of trees and greenery for privacy. The villa is on a big plot, over 1700 square meters, making it perfect for a big family or if you want to rent out part of it. The house has two floors. Each floor has its own kitchen and living area, which is great if you want to live independently or rent one floor out. In total, there are five bedrooms and four bathrooms, so everyone has plenty of space. Outside, there's a big swimming pool that's perfect for hanging out with friends and family. You're surrounded...(Ask for More Details!)
